PROFILE

Guru skills in Java 8 and Java EE 7 (certified).
Good in SQL, HTML/CSS and JavaScript.
Former guruish in JavaFX, TypeScript, C++, C# and PHP.
Learned last Vagrant/Ruby, currently Ansible, eager for *everything*.

EXPERIENCE

Swisslog

2015.05 > Present
Newport News, VA, USA

Senior Software Engineer

My primary assignment is to code automated warehouse solutions in Java EE. Every now and then I get to be a technical lead and drive Java education in our international organization.

Cmil AB

2014.08 > 2015.05
Gothenburg, Sweden

Founder & CEO

Self-employed Java consultant for one of Sweden's largest vocational colleges. I also helped aspiring software companies with technical interviews for new recruits in Java, C++ and JavaScript.

Swisslog

2013.03 > 2015.05
Gothenburg, Sweden

Software Engineer

At first, I coded automated warehouse solutions in Java EE. Eventually, I was teaching Java SE and EE to almost all employees within our company across three different departments. Finally, they put me on a banana boat to the U.S.

SPOO

2010.03 > 2012.03
Gothenburg, Sweden

Founder & CEO

I started Sweden's only post office online that provided international fax and snail mail services. All the user had to do was to upload a file.

EDUCATION

Stockholm's University

2010.08 > 2013.03

Bachelor, of Science in Software Engineering

Computer Science with a focus on languages and data structures.

Linnaeus University

2008.08 > 2012.09

Bachelor, of Science in Business and Economics (not completed)

Business administration, micro- and macro economics.
